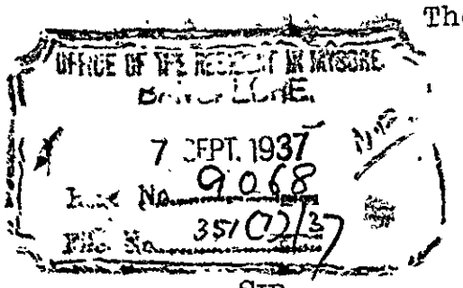
The Secretary to the Hon'ble the Resident
in Mysore,

BANGALORE.



SIR,

I have the honour to apply for the sanction of the Hon'ble the Resident for the appropriation from the Surplus Account of a sum of Rs.1,329-8-0 payable to Rao Sahib Thangavelu Mudaliar, under the following circumstances:-

Mr. Mudaliar, the owner of the vacant land situated by the side of Cavalry and Velu Mudaliar Roads, applied for permission to construct houses on this land. Sanction was accorded to the plans submitted by him. Further sanction for an additional shop was also accorded. As, however, there was a lane adjoining the property between the new building and the main channel, which required widening, the Standing Committee of the Commission inspected the site on the 24th February 1937 and recommended that the lane should be widened to 18 feet and the owner compensated. The enclosed plan shows the present and proposed width of the lane. The Municipal Commission, in their resolution dated the 31st March 1937 (copy enclosed) sanctioned the purchase of the land in question and the payment of compensation at the prevailing rate in the locality, which has been fixed by the Executive Engineer at 8 annas per square foot. The total area of the land to be acquired is 2,659 square feet, for which a sum of Rs.1,329-8-0 is payable as compensation. The owner has accepted the offer and given up his land, which has been included in the lane. As there is no provision in the current year's budget to meet this expenditure, the cost of the acquisition will have to be met from the balance available in the Surplus Account
